Butterfield Road Widening to Enter Second Stage

LIBERTYVILLE, IL - The Lake County Division of Transportation will start the second stage of the Butterfield Road Widening project in Libertyville, IL by opening the west leg of the intersection of Golf Road at Butterfield Road and the intersection of Victory Drive and Butterfield Road on Monday, October 21, 2002. The second stage of the construction will require closing the east leg of the intersection of Golf Road at Butterfield until November 27, 2002 and the closing of the east leg of the intersections of Butterfield Road at Harms Avenue, Shari Lane, Crestfield Avenue, and Fairlawn Avenue to traffic until May 31, 2003.

During this phase of construction, the traffic lanes will be shifted to the west side of Butterfield Road as work begins on the new northbound lanes.

These closures and lane shifts are necessary to allow the county's contractor Campanella and Sons, to start work on the widening of Butterfield Road's east side.

A signed detour route using Crane Boulevard and Dymond Road will allow access to the affected streets from Butterfield Road.
